**Edmunds Laitans**  
Production manager

# OUR SERVICES

The background of the slide is a photograph of a welder in a dark industrial setting. The welder is wearing protective gear and is positioned in the center-right of the frame, working on a large, dark metal structure. A bright blue flame from the welding torch is visible, illuminating the scene. The left side of the image is partially obscured by a semi-transparent grey triangle that serves as a design element for the text overlay.

- Metalworking according to EN1090-2 standard
- Production
- Design, load calculation, drawing development

# Production and design of non-typical structures

- Custom solutions
